

Thank you for your interest in CVCA. If you would like to support our mission of *Educating and Cultivating Servants for Christ*, these opportunities are a great place to start.

GIFTING APPRECIATED STOCK

Donating a publicly traded security, like a stock or bond, can make a bigger impact than selling the stock and donating the proceeds. If you have held a stock for at least a year, you can gift it to CVCA and avoid capital gains taxes while also getting a charitable deduction for the market value of the stock. Contact John Harabedian (jharabedian@cvcaroyals.org) in the Development Office for more information.

A gift of appreciated stock compared to a gift of cash generated from the sale of appreciated stock:

In this scenario, \$1,050 in capital gains tax on the appreciated value is avoided by donating the appreciated stock directly to CVCA.

SCHOLARSHIP GRANTING ORGANIZATION

Take advantage of this no-cost-to-you scholarship funding opportunity! When you donate to CVCA via a Scholarship Granting Organization (SGO), the state of Ohio will give you full credit for the donation on your next Ohio tax return!

- Individual taxpayers can receive up to a \$750 tax credit, and married couples can receive up to \$1,500.
- Any Ohio taxpayers can contribute, so please share this opportunity with friends, family, neighbors, and church family.
- To donate or learn more, go to cvcaroyals.org/sgo.

QUALIFIED CHARITABLE DISTRIBUTION

Are you age 70 or older? Qualified Charitable Distributions (QCD) may allow you to make an IRA Required Minimum Distribution (RMD) directly to CVCA without increasing your taxable income. Inform your IRA custodian of your intention to make a QCD to CVCA, and the funds will be sent directly from your IRA to CVCA, ensuring you benefit from the tax advantage.

For more information on how to make a Qualified Charitable Distribution to CVCA, please contact John Harabedian at jharabedian@cvcaroyals.org.

VOLUNTEER

Volunteers are a vital part of the CVCA community. There are some great ways to get involved while getting to know staff and CVCA parents and grandparents. We have opportunities for both men and women in many areas and varying time commitments.

To get involved as a CVCA volunteer, please complete a Volunteer Form online at cvcaroyals.org/volunteer, and we'll contact you when a need arises.
